Course Name

October 18, 2026

1. Introduction and Context

State the subject, why it matters, and the position this essay takes [1].

2. Main Argument

One idea per paragraph. Each claim is backed by a source or an example.

3. Counter-Arguments and Limits

The strongest objection, and why the position still holds (or where it does not).

4. Recommendations and Conclusion

What should change, and a short close without slogans.
