Title of the Talk

Presentation script, one section per slide

Course Name | Your Name (YOUR-ID)

Based on: A. Author et al., "Paper title," Venue, 2026.

How to use this script. 12 slides, about 10 minutes. If you get lost, come back to this one sentence: *"The paper shows that …"* The worked example is on slide 7.

Slide 1: Title 0:30

On screen: *Title, names, venue.*

Say:

Good morning. Today we look at …

Slide 2: The problem 1:00

On screen: *One picture of the problem.*

Say:

Imagine …

> **Tip:** Pause here and look at the audience.

Study notes (not read aloud)

The parts of the paper you need to understand to answer questions.

Backup: answers for likely questions

"Why not just use X?"

Short answer, then one sentence of detail.
